Illinois REALTORS® Care

Illinois REALTORS® has a long history of giving money and donating time and labor to help those in the path of a natural disaster.

$1,000,000

Illinois REALTORS® and its aid arm, **Illinois REALTORS® Relief Foundation**, have helped victims of tragedies nationwide. Nearly $1 million has been donated in the last 10 years, reflecting a commitment to helping communities in need.

HURRICANE AID IN 2017

$50,000

Donated to help those affected by Hurricane Irma in **Florida**.

$50,000

Donated to help those affected by Hurricane Harvey in **Texas**.

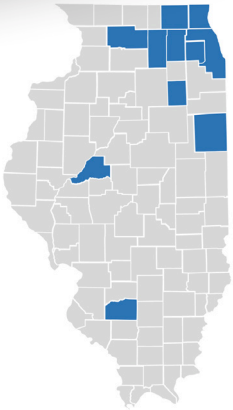
REALTORS® pose with a prefabricated section of a Habitat for Humanity Home built in 2006.

Operation Home Delivery

Illinois REALTORS® worked in the wake of Hurricane Katrina to build a home for storm victims on the Gulf Coast. The project is one of many Habitat for Humanity projects the association has undertaken over the years, reflecting a commitment to homeownership.

Aid foundation provides more than $130K in state

Founded in 2015, **Illinois REALTORS®** Relief Foundation provides help to homeowners recovering from floods and tornadoes. The foundation is currently assisting those affected by flooding in Northern Illinois.



Hurricane Katrina • Hurricane Sandy
9/11 Attacks • California Wildfires

Making a Difference Nationwide

Hurricane Irma • Hurricane Harvey
Hurricane Charlie • Louisiana Flooding

Illinois REALTORS® works with other associations to help out in times of crisis. The association often partners with the **National Association of REALTORS® Relief Foundation** to get even more aid where it is needed.
