Which Course Format is Right for You?

Real estate education should fit your schedule, your learning style, and your budget. Illinois REALTORS® Licensing & Training Center offers courses in self-paced online, instructor-led webinar, and live classroom format. Which course suits your style?

Online

Online courses can be taken anytime, anywhere, on any device with Wi-Fi access. Your courses and exams are available 24 hours a day on the D2L online platform, so whether you're a night owl or an early bird, you can complete the course around your busy schedule. Read at your own pace and retake unit quizzes as many times as you like.

Accelerated

Accelerated courses meet online once a week for 9 weeks. Live instructor-led sessions last 3-4 hours and beginning at 4:00 p.m. Between live sessions, students complete assignments and self-guided study with 24/7 access to online coursework.

Webinar

Webinars are live courses hosted on the D2L online platform. Our webinars start at 9:00 a.m. and end at 4:00-4:30 p.m. Students are required to be present online for the entire duration of the course and to interact with polls and quiz questions. Students communicate with the instructor through the chat feature, and respond to polling questions.
