

COMMERCIAL CIPS COURSES & EDUCATIONAL TOUR

GLOBALIZE YOUR BUSINESS

Attend the CIPS Courses
Berlin, Germany
September 30 - October 2, 2019

Oktoberfest/EXPO REAL
Munich, Germany
October 5 - October 9, 2019

Unlock the power of continuing education, while working toward CIPS designation, the shared professional expertise and the creation of new relationships across the world through this wonderful opportunity to globalize your business. **Click here**, or visit <https://www.nar.realtor/education>, to see all qualifications and requirements for the CIPS designation.

During three days of CIPS (Certified International Property Specialist) courses, sponsored by IVD, you will complete three of the five required courses for designation and learn the critical aspects of international real estate transactions, including:

- Globalization of economies
- International capital flow
- Marketing and business planning strategies
- Roles and expectations in international business.

In addition to the CIPS courses, take advantage of the shared experience of an educational tour of Berlin, the continued networking as the tour moves on to Munich for Oktoberfest and then cap off your experience at EXPO REAL, one of the largest Global property and investment conferences in the world.
