# GLOBAL FORUM 2024

**FREE VIRTUAL EVENT**

June 4, 2024 | 10–11 a.m. CST

## DIGITAL NOMAD IMPACT ON REAL ESTATE

The growth of the digital nomad lifestyle is changing residential and commercial real estate markets globally and transforming the norms of real estate, work methods and social structures.

### WHO IS A DIGITAL NOMAD?

The digital nomad works remotely, has a location independent technology lifestyle and often lives in other countries. A necessary requirement for the digital nomad is a fast and reliable internet connection.
